

THE HERALD.

FOR THE LEGISLATURE.

We are authorized to announce Hon. D. S. GODSEY, of Hazel Green, as a candidate to represent Wolfe and Morgan counties in the next legislature, subject to the action of the Democratic party.

DANVILLE, KY., April 20, 1895.

To the Democrats of Morgan and Wolfe Counties:

At the solicitation of many friends both in Morgan and Wolfe, who have given me much encouragement, and prompted by a desire (pardonable, I trust,) to represent my district in the next general assembly, I have decided, after due consideration, to become a candidate for Representative, subject to the action of the Democratic party. I am now in the office of ex-Governor Proctor J. Knott, and a member in the senior class in the law department of Centre college. I expect to finish my work here about the 15th of May, when I shall return to my home in Wolfe county and personally solicit your support. Thanking the many who have so generously extended their best wishes toward me, and trusting that I may be found worthy of your consideration, I remain, Respectfully,

JAMES H. SWANGO.

FOR RAILROAD COMMISSIONER.

We are authorized to announce JOHN C. WOOD, of Montgomery county, as a candidate for the office of Railroad Commissioner in this, the Third district, subject to the action of the Republican party.

Revised Time Card.

See the new time table of the L. & E. railroad. The train for Lexington now arrives at Torrent at 6:14 a. m., and returning arrives at Torrent at 4:40 p. m. Persons visiting Lexington have from 8:30 a. m. to 2:30 p. m. to do their shopping—full five hours. A Sunday train from Lexington to Jackson has also been put on, and going east it arrives at Torrent at 10:10 a. m., west at 5:05 p. m. Thus the people of Lexington are afforded an opportunity of taking a Sunday outing, and any of our people who may be in Lexington over Saturday night are afforded the facilities of reaching home on Sunday.

Handsome Spring Stock of Hats.

Mrs. Lou Day has just received her new stock of millinery and millinery goods, including trimmed hats and bonnets in the most fashionable shapes. She has them in all styles and at all prices, from 25c. to \$7.00, and the lady who desires to make the best appearance will make a mistake if she fails to call. She also has a beautiful line of ribbons. But those hats—as a lady expressed it last evening—"they are just too lovely."

Charlie O'Connell at Home.

Charlie O'Connell, who has been in Lake City, Florida, and who has been the hustling, efficient local editor of the Florida Tobacco Plant for the past seven months, made glad his friends last week by returning home. He will remain here until September, when he expects to return to Florida and again take his place on the Tobacco Plant.—Mt. Sterling Advocate. Come up this way, "Tex," as your travels are not complete without having seen our beautiful mountain town, and your old foreman and "Globe Trotter" would be glad to shake your  once more.

A Humorous Fact

About Hood's Sarsaparilla—it expels bad humor and creates good humor. A battle for blood is what Hood's Sarsaparilla vigorously fights, and it is always victorious in expelling foul taints and giving the vital fluid the quality and quantity of perfect health. It cures scrofula, salt rheum, boils and other blood diseases.

Hood's Pills act easily, yet efficiently and promptly on the bowels and liver. 25c.

Premiums Offered.

I will give a premium of \$5 for the best mule colt sired by Roscoe to the person who may patronize him this year. The decision as to the qualities of the colt will be decided by competent judges at our next fair. The price for service by both horse and jack has been reduced from \$6 to \$5. I will also give premiums on best colts, both horse and jack, next year. The get of both these animals have always given the best satisfaction, and breeders would do well to learn their qualities before placing their mares.

Attention, Ladies.

Mrs. F. N. Day has just received the most beautiful and carefully selected stock of spring and summer hats, millinery, fancy goods, and in fact everything requisite to the "make-up" of a lady, that was ever brought to Hazel Green, and she is selling them at the lowest possible prices. She most respectfully invites the ladies to inspect these goods before purchasing elsewhere, as she feels confident that she can give satisfaction both in styles and prices.

Hon. D. S. Godsey and W. W. Crucey, late assessor of this county, went to Frankfort last week and had the board of equalization take off the 10 per cent. raise which it had put on our lands.

The meeting of the League at the residence of John H. Rose on Saturday night last was well attended, and the spirit which pervaded was truly of a religious character. The members of this organization are doing a good work, and we trust that it may continue until its influences are felt in every home. A business meeting will be held in the Methodist church Saturday afternoon at 4 o'clock, and all members are earnestly requested to be present.

Whooping Cough.

There is no danger from this disease when Chamberlain's Cough Remedy is freely given. It liquefies the tough mucus and aids its expectoration. It also lessens the severity and frequency of paroxysms of coughing, and insures a speedy recovery. There is not the least danger in giving the remedy to children or babies, as it contains no injurious substance. For sale by John M. Rose.
